**TREND
MICRO™**

Company Name:
Trend Micro Philippines

Company Profile

Trend Micro provides the opportunity to thrive in an industry that is dominating the news worldwide. At Trend we look for people who have the passion and energy to challenge old ways of thinking and to be an agent of change. We believe in working hard, thinking smart and having fun in the process. Trend's drive for innovation delivers "security that fits"-- customizable and scalable solutions that have dramatically influenced trends in the security industry. And if you ask Trenders why they work here, they'll tell you it's the feeling that comes from working with a group of people who share common goals, are driven by a similar passion, and value the expertise of their peers.

By Clicking on the “Add Schedule” button on the Schedule page, a pop-up message will display a form that will enable the user to create a new company. The Events title, venue, number of participants, the time and date, as well as the option of adding attachments are to be filled within this portion. After filling up the necessary information, clicking the save button saves the given information into the applications memory.

(View Schedule)

The screenshot displays the 'View Schedule' interface of the SLU iRecruit system. The browser's address bar shows the URL <http://slu.iRecruit.com/Schedule/view-schedules>. On the left, a navigation menu includes 'HOME', 'COMPANY', and 'SCHEDULE'. The main content area features the Trend Micro logo and the event title: 'Trend Micro Cyber Security Seminar and Recruitment for Internship'. Below this, a large text box describes the seminar as a program for students applying for internships in Trend Micro Philippines. To the right, event details are listed: Venue (SLU Bakakeng AVR ROOM, 10th Floor), Time (9:00am - 12:00pm), and Date (February 3, 2018). Further down, it shows 'No. of Participants: 10', 'Status: Active', and 'Attached:'. At the bottom of the event details are 'View Participants' and 'Delete' buttons. Below the event details is a pagination bar with buttons for 'Add Schedule', 'View Schedule' (highlighted), and 'Delete Schedule'. At the very bottom, there is a page navigation bar with '< Previous', a numbered list (1-7, with 1 highlighted), and 'Next >'. The footer contains the copyright notice: 'Copyright © Saint Louis University All Rights Reserved'.

Description:

By clicking on the "View Schedule" button while a schedule box was targeted, the pop-up message will display the details of the targeted. In this portion, the company logo hosting the event will be displayed along with the events title on the upper left side corner and below it is the short event description with the venue, time, date, and the events status, such as the number of participants, slots available, and attachments.

(Delete Schedule)

The screenshot displays the SLU iRecruit web application interface. At the top, the header includes the SLU iRecruit logo, a search bar with the URL <http://slu.iRecruit.com/Schedule>, and user information for Admin F420119 with a Logout link and a profile icon. The date shown is 01/02/2018. A sidebar on the left contains navigation links for HOME, COMPANYY, and SCHEDULE. The main content area shows a table of schedules. A modal dialog box is overlaid on the table, asking "Are you sure you want to delete this schedule?" with "Yes" and "No" buttons. The table contains two visible schedule entries:

Company	Available	Event Title	Date	Venue
SLU Bakakeng AVR	ROOM 10th Floor		FEB 02, 2018	
SLU Bakakeng, Devesse Lobby			FEB 02, 2018	

Below the table, there are buttons for "Add Schedule", "View Schedule", and "Delete Schedule". At the bottom, there is a pagination control with a "< Previous" button, a series of numbered buttons (1, 2, 3, 4, 5, 6, 7), and a "Next >" button. The footer of the page states "Copyright © Saint Louis University All Rights Reserved".

Description:

By clicking on the delete button while a schedule is being targeted in the Schedule Page, a pop-up message will appear, prompting the user to confirm the deletion of date of the schedule being targeted. Clicking the "yes" button will delete the schedules data in the applications memory.
